Where does the balance lie in achieving good clinical outcomes and quality of life in RAI-R DTC?

Sunday 11th September 2022 | 12:00 –13:00 CEST | Salle M, Bozar

Systemic therapy should be reserved for patients with symptomatic disease

Professor Cosimo Durante
University of Rome 'Sapienza', Italy

Treatment with systemic therapy should be initiated early to maximise clinical outcomes

Dr Sophie Leboulleux
Hôpitaux Universitaires de Genève, Switzerland

Can we leverage pre-habilitation and AE management strategies to maintain patient QoL while on systemic therapy?

Professor Cosimo Durante · Dr Sophie Leboulleux

Q&A and panel discussion

Chaired by Professor Laura Fugazzola, University of Milan, Italy
